

Delivery Routes

As of September 11, 2020 *Subject to Change

Due to the increased number of schools on our routes this year, as well as operating with different vehicles and different food products, our delivery schedule is subject to change “on the fly.” We appreciate your flexibility and patience. At this point, we cannot provide a more precise time of delivery other than the day of the week, and either morning or afternoon.

Note that drivers will not enter the schools with your food product. They will buzz the office or phone the office if there is no buzzer, and alert whomever answers that The Food Sharing Project has delivered food outside the entrance. Please advise your administrative staff who will be answering the buzzer/ phone.
