

Delivery Routes and Empty Box/Case Pick-up Schedule

Revised Jan 20, 2022 *Subject to Change

The following tables describe the delivery routes effective immediately. Please note the following:

- The schools are listed in order of delivery, so you can use that to approximate your delivery time, however, please allow for traffic, weather, and other unpredictable delays.
- At all schools, the food will be delivered to the main entrance (unless another arrangement has been made) and will be left outside. We are currently not entering schools to minimize the risk of COVID-19 transmission and to reduce the requirements for contact tracing.
- At *elementary* schools, our drivers will use the buzzer to notify the office of the delivery.
- At *secondary* schools without buzzer security systems, our drivers will call the school prior to or upon delivery, to notify the main office that the delivery has been made.
- In most cases, we will pick up the empty boxes and milk crates from the week prior on the day we deliver the food. Please have boxes outside and ready early on those days.
- In some cases, we will be picking up the boxes on an alternate day, due to space limitations in our delivery vehicles on delivery days. If this applies to you, *please have your boxes outside, in a space protected by the elements if possible, no later than 11:00am*

If you have any questions, please contact us at your convenience. 613-530-3514. fsp@kingston.net
